Professor Pelham Edgar,

Dear Professor Edgar:

I have received your letter written to me on behalf of the Nominating Committee of the Royal Society in which you ask that I should make some suggestions for the approaching elections. I shall be glad to see you some time soon and talk the matter over before I make any definite proposal.

Yours sincerely,

President.

To Sir Robert Falconer K.C.M.G.
President
University of Toronto

Dear President Falconer.

The Arts and Letters Club propose to give a benefit entertainment on behalf of the Canadian poet Bliss Carman who is seriously ill and without resources. I shall propose to the Committee which meets to-day that we bring Siegfried Sassoon, the English poet, to Toronto. A large audience could undoubtedly be secured to hear him, especially when the proceeds were to be devoted to such an end. May I ask if the Board of Governors would grant the use of Convocation Hall for this purpose? My request is tentative or conditional because our committee has not yet met and I must by application now only to anticipate this afternoon's meeting of the Board of Governors.

I have the honour to remain

Very truly yours

Pelham Edgar.
